About Friends of Erin

THE MONTAUK FRIENDS OF ERIN is a civic organization founded in 1962 to run a St. Patrick's Day Parade in Montauk. Over the years it has grown into an organization that focuses its activities on local youth.

These activities include sponsoring three Little League affiliated baseball and softball teams, a youth soccer team, and scholastic scholarships for Montauk Youths.

About Kiwanis

THE EAST HAMPTON KIWANIS CLUB is a proud member of Kiwanis International, one of the three largest service organizations in the world. We are in over 80 nations with a membership of nearly 600,000. Our club is comprised of members from East Hampton, Springs, Amagansett, Sag Harbor, Montauk and Wainscott. The club has become well recognized in the local community for its involvement in:

- Kiwanis Pediatric Lyme Disease Foundation
- Catastrophic Emergency Assistance
- Pediatric Trauma Care • Special Olympics
- East Hampto High School Key Club
- East Hampton High School Scholarships
- Youth Activities Sponsorships • Toys for Tots

We are proud of our community, and are extremely proud of the support we provide to those who live, work and raise their families here, and the many local businesses and people who support us.

TOURNAMENT RULES, POLICIES & RELEASES

All participating boats must have completed and signed registration forms with full payments on file prior to the event. There are three divisions for this tournament:

Recreational • Professional/Commercial • Party

The Grand Prize Mercury Outboard 150hp Motor will be awarded to the winner of the Recreational Division. Charter and Party Boat Divisions will compete for separate prizes within their respective division. Recreationalists will compete for the largest fish caught in each species: Fluke, Sea Bass, Striped Bass and Bluefish. In order to qualify for the Grand Slam prize, participants must catch all four species of fish. Points per pound will be awarded for each species and fish must be of legal size.

The tournament will commence at 5:00 am and conclude at 6:00 pm Saturday and 5:00 pm Sunday. All fish from all boats will be weighed-in each day until the deadline at Uihlein's Marina, West Lake Drive, Montauk Harbor. Winning fish must be gutted after weigh-in in order to check for foreign objects. A participant may combine catches from both days. All fish must be weighed in on the day they are caught. Any fish altered or any participant weighing in a fish other than the day it is caught will result in the participant's disqualification, forfeiture of entry fees and refusal to be entered into future Grand Slam tournaments.

These rules will apply.

Entrants must not be a licensed Charter Boat or Party Boat Captain active within the last 3 years. Nor can they be a Commercial Fisherman holding Striped Bass Tags or a Commercial Fluke License. You may NOT hold a Food Fish License and/or pot Sea Bass. If it is found out that you are not a recreational fisherman you will not be eligible to win the Grand Slam, or any of its prizes.

There will be individual prizes awarded. Please refer to www.montaukgrandslam.org or call 631-668-3799 for prize details. IGFA rules apply to this event with the exception of wire line. Tournament rules are subject to change and any changes will be posted prior to launch. Cancellation of paid participants will result in forfeiture of entry fees if notice is not received by July 4, 2018.

All prizes will be awarded at the conclusion of the tournament, after all weigh-ins on Sunday, July 15, 2018. In signing the application, you agree to and will abide by the rules set forth herein. You hereby release and will forever hold harmless this event's organizers, sponsors, advertisers, agents and volunteers.

The event will be held weather permitting. In the event of foul weather it will be the decision of the tournament organizers to postpone one or both days of the event. If both days of the event are postponed the event will be rescheduled for Saturday, July 21 and Sunday, July 22, 2018.

You can Win

RECREATIONAL DIVISION 1ST PRIZE GRAND SLAM WINNER RECEIVES A MERCURY 150hp MOTOR AND TROPHY
